

# Elevate your Practice with AIT Knowledge and Skills

## Wholistic Acupoint Injection & Trigger Point Injection Therapy

**March 24 – March 25, 2018 (16 PDA's-includes 2 Safety)**

This course covers safety, injection protocols and techniques. Participants will engage in brief patient assessment, then perform & receive injections. We will discuss and utilize injectable homeopathics, vitamins, and other similar substances along with what types of supplies are available to utilize with these procedures in the practitioners practice, including where to

acquire medical products and injectable solutions. Participants will engage in hands on palpation and assessment of muscle, soft tissue & joint issues, identifying Ahshi/Trigger points, then perform & receive injections. Participants will acquire knowledge, skills and ability to utilize injectables immediately in their practices.
